filoxenes katoikies

With respect to the tradition of the island, we have created a group of properties of respective weight, geared to your most particular demands, aiming through our friendly and professional service and hospitality, at making your stay on the island even more pleasant.

You are the main characters and that is what matters the most. That is the central philosophy in our traditional settlements. Apart from the high aesthetics and our attempt to combine successfully the traditional Kytherian architecture with the modern way of living, our ultimate goal is to serve our visitors in the best possible way. Homemade traditional sweets and marmalades are offered during your staying, along with our own organic products such as honey, fruits and vegetables, wine, eggs and olive-oil.

Filoxenes Katoikies consists of traditional villas, houses, and seaside apartments.

- Villa Venus, Kythira Villa
- Celestia Traditional Houses, Semeli Houses, Windmill Suites, Avlemonas houses, Paleopoli houses and Kalokairines house.
- Sole e Mare Traditional Studios, Athena apts & studios, Anemoi apts & studios

Stay in 8 different villages of Kythera, choose to stay in 2 or even 3 different properties.

Our philosophy is to create a unique experience for our visitors. The only way to do that is through our customs, our cuisine and our traditions. Kythera, considered to be one of the most authentic Greek islands, and it is one of our high priorities to create in our visitors the feeling of going back 30 years ago and live in the Greece of the past. Furthermore, in the near future, it is our intention to initiate a program that includes: Hiking, Boat trips, Cooking, Wine tasting, Olive-oil gathering, Guided tours and a series of other activities, with the hope to give the opportunity to our visitors to understand and feel the Kytherian atmosphere.

Villa Venus

Villa Venus is located in Paleopoli village, in one of the most beautiful landscapes of Kythera island. Our traditional villa is indeed very close to very popular beaches such as Paleopoli Beach (400m) Golden sandy beach of Diakofti (6 km),) and Kaladi beach (3km).In close proximity to Paleopoi is Avlemonas, a picturesque village. Paleopoli is an ideal destination for those seeking tranquility and peacefulness in their vacations.

With respect to the tradition of the island, we have created two autonomous villas of respective weight. Villa 1 comprised of three independent suites.. The third floor suite is ideal for 2 persons. The second floor apartment is ideal for 2 couples or 4 persons and comprised of 2 en-suite bedrooms. The ground floor suite can accommodate 2 persons. Every suite has its own unique view, facing the characteristic bay of Paleopoli.

Villa 2 (45 m2) conveniently accommodates three people and is ideal for a tranquil family vacation or romantic escapes. Each villa includes a bedroom, a fully equipped kitchen, a private bathroom, and spacious living room. All rooms provide web access, TV, balcony or terrace with amazing sea view and are equipped with central heating, fireplace, refrigerator, fully equipped kitchen, hair dryer, iron and bathroom amenities.

Surrounded by magnificent landscape, with trees and flowers that cover an area of 10 acres, the spacious open areas ensure peace and relaxation and are perfect for an enjoyable and breathtaking view of the sunset and long walking. The amazing garden area can provide you with juicy fruits and vegetables. The holiday experience in this little complex is sure to meet the needs of all travelers.

Kythira Villa

Enjoy the tranquil privacy of this luxurious villa with its views to the magnificent landscape. The house is situated in the picturesque medieval village of Aroniadika in the center of the island. Life is peaceful here and the crystal water beaches are not far away. The house is built in a large terrace and consists of two separate two floor complexes sharing a common patio covering a total area of 600m2. Externally each building has been built in line with local architecture, while internally is fully furnished and decorated with selected objects.

The house can be rented as a whole throughout the year for a minimum of a week and can accommodate up to 10 people.

The first building features a living room, a dining room, a kitchen and a bathroom on the ground floor, and 2 bedrooms, a small kitchen and a bathroom upstairs.

The second building features a spacious living room, a guest room with bathroom, while on the first floor is the master bedroom with bathroom and a dressing room and a second guest room. The house is fully equipped featuring internet access and satellite television, while there is the option of providing house service, baby sitting, and massage upon request.

Avlemonas Houses

In the picturesque bay of Avlemonas we have two newly constructed houses. Our three traditional sea houses are in close distance to the bay of Avlemonas, only 20 meters, and from our spacious verandas you will have amazing sea view. Both houses consist of 3 master bedrooms with private bathrooms, a large living room and a fully equipped kitchen. They are well equipped and ideal for winter vacations as they are both equipped with fireplace and heater. Each apartment can accommodate 6-7 persons. Special Prices for long-term and winter vacations.

Celestia Traditional Houses

CELESTIA Traditional Houses is a category A hotel. An excellently restored traditional house, with local island architecture, has five apartment-suites, and invites you to enjoy the very best life has to offer as it meets tradition and contemporary comfort with high quality facilities and a spacious environment. The unique stone building was built in 1851 by local builders and its architectural structure in the Venetian style is intrinsically connected with traditions and customs of the Leonzini family, local life and traditional architecture.

It is located in Keramoto, a picturesque and preserved village at the heart of the island of Kythera, from which you can drive either to Livadi or Potamos, two villages, respectively in the southern and the northern part of the island, that have all the facilities one might require. Each luxurious apartment has its own private patio or terrace with open views to the gardens that give themselves over completely to the rural and quiet landscape that surrounds them. In Celestia Traditional Houses,

guests will rest comfortably in the superb rooms furnished by high quality designers such as Coco-Mat, Neoset and Dryades and also by refurbished traditional furniture. Each apartment has its own individual character and unique atmosphere. In the rooms you will find comfort with high quality facilities.

We rent our apartments in the summer for any period needed and in winter for short or long-term holidays.

Semeli Traditional Houses

In the centre of the island, in Aroniadika, one of the most picturesque Kytherian villages, we have created our 6 traditional houses, Kamara for 2-4 persons, Sfendoni for 2 persons, a lovely traditional house for 6 persons, Lanos for 2 persons, Tholaki for 2-4 persons, and Myrtali for 4-6 persons.

Semeli Studios have been built in a typical Kytherian architectural style and are surrounded by a stone mosaic paved yard, large gardens with scented flowers and patio.

Those six lovely houses are tastefully decorated and are ideal for romantic escapes.

They are indeed very famous as they have been used in two very popular greek TV series

Windmill Suites

The easy pace of life, the generous and trusting nature of Greeks and the astonishingly beautiful scenery is sure to be found in our little complex in Strapodi (Livadi). Situated in the centre of the island and very close to Chora, it ensures access to the island's most graphic beaches and tourist attractions.

The seventeenth century stone windmill, one of the well-known attractions of the island, along with the two stone made studios have been renovated according to local architecture. The Windmill and

studios have their own style and have been designed to express individualism and character. They have carefully been furnished with household furnishings from the last century. They welcome you with the traditional Kytherian style and all the modern comforts. Each studio conveniently accommodates three to four people and is ideal for a tranquil family vacation. Each studio includes a bedroom, a kitchenette, a private bathroom, a sitting room with a TV and fireplace, while the Windmill consists of 2 master bedrooms with their own bathroom, living room and kitchen area.

Surrounded by magnificent landscape, the spacious open areas ensure peace and relaxation and are perfect for an enjoyable and breathtaking view of the sunset. The holiday experience in this little complex is sure to meet the needs of all travelers.

In the traditional village of Kalokairines (10 minutes from Chora), is one of the most characteristic houses of the chain and completely autonomous. It easily accommodates 2-3 people and is ideal for a romantic escape. It ensures both privacy and relaxation. The view of the sunset is breathtaking and is sure to please all its occupants.
